Checking In After Hours

If you arrive after we have closed, your key can be picked up from the wooden Condo box just to the left of the Lodge front doors. The code to access the box is **2020**. Please see us at the Front Desk by 9 AM the following morning to complete the check-in process. Members or their spouses must check-in unless a guest has been pre-authorized (not available for Bonus Time reservations).

Pet Policy

No pets near condos unless it is a certified service animal that has been checked in at the Front Desk. Emotional Support Animals are considered pets. Fines will be enforced for pets seen in the condo, carport, or parking lot.

Guest Policy

Guests must be accompanied by the member(s) while on private property. Access to private property including trails and the shooting range without the member is strictly forbidden and carries a \$500 fine.

Parking & Storage

Two vehicles may be parked at a condo carport. Parking at empty condos is not allowed. ATVs may be parked in the Short-Term cages by the sport courts or kept on a tagged trailer in the North of Condos parking lot.

ATVs and trailers must be stickered or receive a temporary tag to be operated on the property. This can be done by the member at the Front Desk during normal business hours. To use any of our storage areas, including the North of Condo parking lot, please pick up a parking tag and gate codes at the Front Desk.

ATV Driving Route

From March 1st to September 30th, ATVs in the developed area may only be driven to or from the Short-Term cages along the access road running north of the South Bathhouse in the RV park and the access road east of the Lodge. Please observe the 10 MPH speed limit. A map clarifying the route is available at the Front Desk.

Gate Codes

Only a member may pick up the gate codes at the Front Desk during business hours. A member ID or driver's license is required to be shown upon request. **This is strictly enforced.**

Shooting Range

Reservations for two-hour time slots may be made up to a week in advance. All shooters must sign a waiver. Visit the Front Desk about 15 minutes before your reservation to complete the waiver and pick up the key.

Lost and Found

Non-food items will be held at the Front Desk for up to 30 days. Electronic items are held for 90 days.

Swim Tags

A maximum of 8 swim tags may be provided per membership. You may bring in the cut-off swim tags to the Front Desk to be switched out for new ones. If you have anyone with sensory issues, you may request a silicone bracelet instead of a paper swim tag. Swim tags are discontinued during the winter.

Additional Questions

If you have any additional questions or concerns, there is further information at [this link](#). Our staff are always happy to help as well, so please feel free to call or stop by the Front Desk any time during our hours.

We are happy to have you and hope you enjoy your stay!
