1. I understand that I can only deposit time from the current membership year if my maintenance fees are current.
2. I understand that if I want to deposit time from any future year I must pre-pay all the maintenance fees for that year at the current maintenance fee rate, and that I will be billed or credited any difference in cost when the maintenance fees are decided by the Board of Directors for said year.
3. Bulk banked weeks will be assigned as first come first serve with the highest exchange credit weeks being given first. I understand that if I need a specific timeframe, I need to book that reservation and bank it myself at least 120 days in advance.
4. I understand that East Canyon Resort has put a limit on how many weeks will be bulk banked each fiscal year. East Canyon Resort will bulk bank 2 units per week with VRI/Trading Places and 1 unit per week with RCI for members to deposit.
5. I further understand that when the above bulk banked weeks have all been deposited by members for the respective fiscal year, members are responsible for banking their own time based on resort availability.

By signing this document, I am stating that I have read and understand the above statements.
